I hereby certify that all available translations of the ASAS Health Index (ASAS HI)\(^1\),\(^2\) and the Environmental Item Set (EF Item Set)\(^2\),\(^3\) have been conducted according to published recommendations. The forward-backward translation has been used to translate the items of the ASAS HI and the EF Item Set according to Beaton et al.\(^4\). The translated version have been tested in regard to face and content validity in a field test in each country. The translation process have been overlooked at each stage by ASAS. Each available translation can be downloaded from the ASAS homepage (www.asas-group.org). This statement is valid for all translations published on the ASAS website
