SPARTAN-GRAPPA-ASAS Educational Symposium on Axial Spondyloarthritis and Psoriatic Arthritis

Spend the afternoon with us, learn a lot, and earn 3 CME credits.

Spondyloarthritides remain significantly under-recognized despite several epidemiological studies showing high prevalence of these conditions in general population. New imaging modalities for diagnosis, as well as novel therapies for psoriatic arthritis and axial spondyloarthritis have become available.

Update yourself on recent developments in the understanding and management of various spondyloarthritides at a dynamic 3-hr CME opportunity on Wednesday, November 16, at 1 pm.

**Space is limited. Please register early.**
Agenda, faculty list, and registration at: [www.123signup.com/SPA-GRA](http://www.123signup.com/SPA-GRA)

**Agenda & Faculty:**

1:00-1:05 pm Welcome and Introductions – Atul Deodhar, MD; Irene E. van der Horst-Bruinsma, MD, PhD
1:05-1:20 pm Pre-Test (Quiz using audience response system) – Laura Coates, MD
1:20-1:45 pm T2T in Spondyloarthritis: Are we ready for a clinical trial? – Irene E. van der Horst-Bruinsma, MD, PhD
1:45-2:10 pm Appropriate use of MRI in the Diagnosis and Follow Up of Axial Spondyloarthritis – Walter Maksymowych, MD
2:10-2:35 pm Year-in-Review in Psoriatic Arthritis – Laura Coates, MD
2:35-3:00 pm Year-in-Review in Axial Spondyloarthritis – Liron Caplan, MD, PhD
3:00-3:15 pm Post-Test (Quiz using audience response system) – Laura Coates, MD
3:15-4:00 pm Break-out Session: Hands-on Assessment of Axial SpA and PsA Physical Exam: Spine, Enthesitis, Skin & Nails – Xenofon Baraliakos, MD; Atul Deodhar, MD; Irene E. van der Horst-Bruinsma, MD, PhD; Liron Caplan, MD, PhD

**Symposium Chairs:**
Atul Deodhar, MD, Oregon Health & Science University, USA and Irene E. van der Horst-Bruinsma, MD, PhD, VU University Medical Centre, The Netherlands

**Learning Objectives:**
Discuss the recently published salient research articles in the field of axial spondyloarthritis (axSpA) and psoriatic arthritis (PsA)
Describe the role of MRI in the management of axial spondyloarthritis
Discuss how the ‘treat-to-target’ concept in the management of axial spondyloarthritis and psoriatic arthritis can be extended in daily practice

**Accreditation:** This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Oregon Health & Science University School of Medicine and Northwest Arthritis & Osteoporosis Institute. The OHSU School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

**Credit:** OHSU School of Medicine, Division of CME, designates this live activity for a maximum of 3 AMA PRA Category 1 Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.
